Parking Instructions - Biology Merit Exam

Clemson University - Littlejohn Coliseum

Car or bus parking passes will **not** be needed on Friday, **IF** these instructions are followed. Parking in any other areas without passes may result in ticketing or towing.

Please print and distribute these directions, aerial parking map, and drop-off diagram to ALL drivers.

Bus Parking

- Buses should approach Littlejohn from Pearman Blvd/Perimeter Rd.
- Buses will turn onto Ravenel Rd via Pearman/Perimeter Rd so that all bus doors will open facing Littlejohn Coliseum (see map).
- Buses should proceed to the far end of the road and pull to the right curb for drop off.
- After unloading, buses may loop around Littlejohn and re-enter the Ravenel Rd. area; pull all the way down to the end of the road, and park on the left curb.
- Drivers should move all the way down to the end of the road to allow as many buses as possible to park here (over 30 buses are expected!)
- Additional bus parking will be along East Beach Drive, running parallel to the rugby fields, or in the gravel lot at the Rowing facility at the end of this road.
- To park on East Beach Dr. or in the gravel lot, follow East Beach Drive past McFadden Bldg, the baseball facility, the rugby fields, the golf facility, up the hill to the gravel lot at the Rowing facility. There IS a place to easily loop around at the top of the hill at the Rowing boathouse!
- Please **DO NOT** park in the large parking lot (P03) behind the football stadium! Even if you see another bus parked there, do not follow. It is NOT an approved parking location for this event and you are subject to ticketing or towing if parked there.

Van/Car Parking

- The Littlejohn North Gate parking lot will be used for car or van parking (no parking permits required)
- Vehicles should approach Littlejohn Coliseum from Pearman Blvd/Perimeter Rd
- Vehicles will turn onto Ravenel Rd via Pearman Blvd/Perimeter Rd and take the first right into the small, semi-circle parking lot right outside the North Gate to park.
- Overflow parking is in the McFadden Building parking lot across the street (Perimeter Rd). Turn down East Beach Drive to access this lot.

UPDATE! All buses and cars must be moved from the roads bordering Littlejohn by 3:00pm for an incoming event. Buses may be moved to East Beach Dr. or the Perimeter Rd. pull off (overlooking the football practice fields, across from R3 lot).

Exchange cell phone numbers with your drivers! ☺
