PARKING/TRANSIT: Football game day information

Will you be in Clemson during the game? If you have a car parked on campus or plan to drive a car on campus or around town this weekend, read the following information and heed the warnings to avoid the expense and frustration of your car being towed from a space designated as reserved football parking.

If you are interested in general information, please see the Clemson Athletics website. If you live or work on campus, please see below.

Here's what you need to know:

Reserved lots will be cleared 12 hours before kickoff;

Key Points

— Parking regulations for home football games supersede all other parking regulations.

— Parking lots open at 6 a.m. for noon and 1 p.m. games and at 8 a.m. for all other kickoff times.

— Employees leaving personal vehicles on campus while traveling should be familiar with the football schedule to avoid parking in reserved lots on game days and being towed.

— A current map of how parking is allocated on game days is available online at:
https://admin.xosn.com/pdf9/3696406.pdf?&DB_OEM_ID=28500&

Parking restrictions after the game

Parked cars must be vacated from the following areas within two hours of the conclusion of the game:

- Walker Golf Course practice range off Old Stadium Road
- Gated gravel parking areas adjacent to aquaculture and fisheries ponds in the Calhoun Bottoms
- Gated area at the Walker Course maintenance building and the golf course area across Cherry Road

Resident students who move their vehicles from the west side (R-3 parking lot, Press Rd, and Centennial Blvd) to R-1, R-2 and Kite Hill must vacate these areas and return their vehicles to west side resident-student lots by noon on Sundays following home games.

Where can students park?

Residence hall students who are required to relocate their cars may park at the R-1 lot (across from the Fire Department) on McMillan Road. If the R-1 lot fills, students may also find parking in parking lot R-2 near the Fire Department, R-1 extension located on Morrison Road in Thornhill Village, and R-4 extension between R-2 and Lightsey Bridge. If all these areas fill, overflow parking is permitted on the grass at Kite Hill. All spaces in C-1 (formerly known as "The Pit") and R-3 parking lots as well as Centennial Blvd and Press Rd must be vacated.

****No parking on roadways inside of resident lots** (R-1 and R-2) that will prohibit the traffic flow or safety within the lot. Any vehicles impeding traffic flow are subject to being towed.

Students may move their cars beginning Friday evening and continuing through the weekend. All cars must be cleared from reserved IPTAY lots by the time towing begins -- 12-hours prior to the announced kick-off time of the game.

Resident students who move their vehicles to R-1, R-2 and Kite Hill must vacate these areas and **return their vehicles to resident-student lots by noon on Sundays** following home games or you may be issued a citation.

Clemson Area Transit will operate shuttles with stops at R-1, R-2, Kite Hill, Hendrix Student Center, east library circle and the Dillard Building on Klugh Avenue (Shoeboxes, Stadium Suites, McCabe, Holmes), during the following service hours:

- Friday – 6 p.m. until midnight
- Saturday – 2 hours after game ends until midnight

Where can't I park?

All vehicles parked in lots and numbered spaces reserved for football parking must be moved no later than 12 hours prior to the start of home games.

East Campus Reserved Parking

— C-1 Commuter lot: All orange spaces in the entire lot are reserved. All orange spaces, including those without Tiger Paw markings, must be vacated 12 hours prior to kickoff. In previous years when only a portion of this lot was used for football parking, the reserved spaces were marked with orange Tiger Paws; however, the Paws have no relevance in this year's parking plan. Aisles 1-3 are reserved for IPTAY parking while aisles 4 – 12 are general admission paid football parking. Each non-IPTAY vehicle will be charged $20 to park by cash, credit card, or pre-purchased online permit. To buy a permit, click here.

— Employee lot: E-13 (Sheep Barn)

Where can fans without parking placards park?

Clemson has 15,000 parking spaces that are assigned to IPTAY donors each year — that means a large contingent of fans must find parking elsewhere. This parking is also available for students with commuter permits who do not have IPTAY parking passes.

General public parking for game-day visitors is available:

— Off Perimeter Road, east of Cherry Road (excluding reserved lots)
— Off S.C. Highway 93, west of campus

Check out the football parking maps at:
https://admin.xosn.com/pdf9/3696406.pdf?&DB_OEM_ID=28500&

Paid parking is also available at the Clemson University Beach property on S.C. 93 and at various church and business lots in downtown Clemson. The Clemson University Beach property on S.C. 93 can accommodate RV parking.

Paid parking is also available in the C-1 parking lot located off of Perimeter Rd. For complete details see http://www.clemson.edu/campus-life/campus-services/parking/C1FootballPermit.html

Where can visiting parents park?

Clemson welcomes parents of students to visit campus whenever possible and makes a special parking permit available to them. However, these "Proud Tiger Parent" permits are subject to the same restrictions as employee and student permits and are not valid in reserved/restricted spaces on game day or any other day.

These permits allow visiting parents of Clemson students to park in any legal space on campus except for restricted/reserved spaces. On game days, that means that if a vehicle bearing a parent permit is left in a lot reserved for football within 12 hours of kickoff, it will be towed at the owner's expense.

In general, it is best to avoid parking on the West side campus. If a parent parks East of Cherry Rd, the risk of being towed is greatly diminished.

If a parent does park on the West side of campus, please leave a contact number visible on the dash, and if the vehicle needs to move, that parent can be contacted and asked to move instead of being towed.
General public parking for game-day visitors is available:

— Off Perimeter Road, east of Cherry Road
— Off S.C. Highway 93, west of campus

Check out the football parking maps at:

Paid parking is also available at the Clemson University Beach property on S.C. 93, in C-1 parking lot off of Perimeter Rd and at various church and business lots in downtown Clemson.

Where can employees park?

These areas will be designated for employees only on days of home football games. This parking will be available for Aramark, facilities and other university employees who must work on game days. Vehicles entering and parking in these areas must display a valid employee parking permit:

— Lot E-6 -- only spaces adjacent to Long Hall; access only via Calhoun Drive at Sikes Hall

— Lot E-15, east of R.M. Cooper Library

— Barre Hall metered parking in front

— McMillan Road, from Cherry Road intersection at Hendrix Student Center to the east library lot, vehicles must be parked in a marked space (between two lines)
