39	Stage Right Tab	STAGE RIGHT TAB	N/A	DEDICATED LINESET
40	Stage Left Tab	STAGE LEFT TAB	N/A	DEDICATED LINESET

All linesets are single-purchase with 1400lb capacity. All Electrics are double hung pipes. Electrics 1, 3, 4, and 5 include non-removable 40-circuit fixed raceways that limit hanging capacity and restrict travel. Mid-stage traveler is a dedicated lineset.

*All Orchestra Shell Ceilings are non-removable. Items less than 200 pounds may be able to be hung with these panels. Speed of movement is also greatly reduced. Please inquire.
