Phone: (864) 656-3568

Dede Kearney – Director of Administrative Services,
kleylek@clemson.edu,
Phone: (864) 656-7292

If a participant uses Student Health Services, the *Clemson University Health History Form Part A* or the *Redfern Heath Center/Clemson University Special Groups, Summer Camps, and Visitors on Campus* form must be completed and presented at the time of service.

Student Health Services will also require participants to have the required completed and signed Insurance Forms from American Income Life.

**TIPS FOR INSURANCE COVERAGE FOR SUMMER CAMPERS**

1. Determine if the program is covered 24 hours a day or only for “sponsored” camp activities. If the program is not covered 24 hours a day, any illness or injury that occurs during non-sponsored activity would not be covered.

2. Program directors must sign Part 4 on the American Income Life claim form. Keep a supply of signed forms for counselors to bring in with patients.

3. On your *CU Health Examination Form*, please make sure it is signed by parent/guardian for any participant under the age of 18.

4. If you do not use the CU Health History Form please make sure you have the parental consent for treatment signed.

5. Student Health Services typically serves youth ages 12 and above.

**NON-COVERED ILLNESSES/INJURIES**

1. If the program is not covered 24 hours a day, only injuries/illnesses that occur during “sponsored” activities are covered.

2. Pre-existing conditions are not covered, for example, if participant comes to campus with an injury or illness and needs follow up treatment, Redfern cannot do that here unless the participant has the means to pay for service when rendered. Other examples include a participant that needs a refill on
asthma inhaler, etc., this is considered a pre-existing condition and would not be covered by the Special Risk insurance.

3. Gynecological problems, menstrual cramps, pregnancy tests, sexually transmitted infection testing, and ingrown toenails are not covered.

If a program participant has a non-covered illness or injury and wishes for private insurance to be filed, they can be taken to ClemsonConnect Health Center/Urgent Care at 885 Tiger Blvd across from Subway. Tel. (864) 654-6800.
