Enter ALL requested data and save the file using the filename convention noted in the published guidelines

<u>Note to Applicant:</u> The application process is two-tiered. First, all submissions go to your college dean as a single PDF document. Follow the entry preparation and submission guidelines closely. Second, the college completes review of applicants and enters the winner of each award category into the university-level competition. Please check for your college deadline and email address where to submit your entry. Good luck!
