Skill Development Services

**Academic Coaching**

**Service Description**
Focusses on learning and personal success strategies you can engage in for academic and personal growth. This service typically consists of ongoing weekly or biweekly appointments with an academic coach.

**Next Steps**
- Go to clemson.edu/asc and select “Schedule a Coaching Appointment.”
- Complete the LASSI questionnaire at clemson.edu/asc/courses/academic-coaching.html

*NOTE: Consider taking the online Learning and Study Strategies Inventory (LASSI) questionnaire before your coaching appointment. LASSI can help you become more aware of your learning and study behaviors, attitudes and beliefs. Your academic coach can review your LASSI results with you and discuss next steps.*

**Success Strategies Workshops**

**Service Description**
Virtual, interactive presentations that can help you sharpen your learning and thinking skills, increase your confidence and enhance your knowledge of success strategies and resources.

**Next Steps**
- Register at clemson.edu/asc/workshop
- Check your email for the workshop Zoom link prior to the presentation.

**Jumpstart Workshops**

**Service Description**
Interactive sessions designed to help you successfully transition to the Clemson academic community.

**Next Steps**
- Register at clemson.edu/asc/workshops
- Attend Jumpstart workshops on the Tuesday before classes begin in the Fall semester.

Course-Specific Services

Peer-Assisted Learning (PAL)

**Service Description**
Collaborative and structured group learning sessions facilitated online by a peer leader who successfully completed the course. PAL leaders offer tips for success and provide opportunities for you to practice problems and ask questions in a supportive environment. PAL sessions are held on a twice-weekly basis for 15+ introductory courses in engineering, math, science and business.

**Next Steps**
- Look out for emails and Canvas announcements from your PAL leader.
- Access the daily session schedules by selecting the "View PAL Schedule" icon at clemson.edu/asc.
- Sign in with your g.clemson.edu address to view the Zoom session links.
- Attend any session that works with your schedule.
- Be proactive! Start attending sessions early in the semester and return often.

Tutoring

**Service Description**
Supportive drop-in and appointment-based learning sessions facilitated online throughout the week by a peer tutor who successfully completed the course. During a tutoring session, you can ask the peer tutor specific questions you have about course content. The tutor can also share effective study strategies for learning challenging course concepts and work practice problems with you. Tutoring sessions are offered for almost 100 courses.

**Next Steps**
- Drop-in tutoring sessions can be viewed by selecting the "View Tutoring Schedule" icon at clemson.edu/asc. Sign in with your g.clemson.edu address to access the Zoom links.
- Appointment-based tutoring sessions can be scheduled through CU Navigate using the mobile app or by going to clemson.edu/academics/advising/cunavigate/guide/. Follow these instructions to set up your tutoring session:
  1. Go to CU Navigate
  2. Select Type of Appointment: Tutoring
  3. Select Service Category: ASC Tutoring
  4. Select a Service: Study Skills or Tutor for a specific course
  5. Select Location: ASC Tutoring
  6. Select your course and then your tutor
- Bring your notes and study materials to make the most of your time.
- Be proactive! Start attending sessions early in the semester and return often.

Tutoring Matching Service (TMS)

**Service Description**
A private online platform that provides an additional tutoring resource for Clemson students. TMS tutors post their availability and hourly rates on the TMS platform accessible on the ASC website.

**Next Steps**
- Access the TMS page at clemson.edu/asc
