AAH 210

ART 420

Want to take a class at the beach or on a cruise this summer?

You can! With online courses such as AAH 210 and ART 420, you can get the credit you need without changing your summer plans. AAH 210 is an art history survey course, and ART 420 explores using the Internet for art-making. Both are **open to all students**. AAH 210 fulfills general education humanities credit, and ART 420 is a new art elective. Sign up before these classes are filled! For information on AAH 210, contact Janet LeBlanc at frances@clemson.edu, and for ART 420 contact Christina Hung at chung@clemson.edu.
