EDITOR'S NOTE

In our spring 2007 issue, I announced plans to hold in September a 40th-anniversary celebration of *The South Carolina Review*. Due to a turn of good fortune, I am pleased to say that the College of Architecture, Arts and Humanities is going to see its commitment expanded to a fully fledged Clemson University Literary Festival (6-8 March 2008), with *SCR's* fortieth celebration nested at its core. The deadline for our poetry contest has also been extended—to March 15, 2008. See back cover (inside). —WKC
