Travel to Israel and Jordan to encounter the world in which Jesus of Nazareth, a Galilean Jew, lived, died, and inspired a Jewish movement that would evolve into the world’s largest religion - Christianity. Ride on the Sea of Galilee, visit the Temple Mount in Jerusalem, experience Roman games in an ancient Hippodrome, stand before the amazing rock-cut structures of Nabataean Petra, walk through sites traditionally associated with Jesus' birth and death, and, of course, float on the Dead Sea. If history, archaeology, the Bible, inter-religious contact, and hitting the beach are your thing, then study the world of Jesus with us!
