18th Annual CAFLS Alumni Golf Tournament

The eighteenth annual College of Agriculture, Forestry and Life Sciences (CAFLS) Alumni Golf Tournament is scheduled for Thursday, April 20, 2017 at the Walker Course at Clemson University.

This tournament is to raise funds for the Thomas E. Skelton Scholarship which provides scholarships to CAFLS students. Both alumni and friends of the college enjoy a great afternoon of fellowship and golfing.

The Walker Course’s 18 holes wind through the rolling hills and hardwood forests of Clemson. The last five holes, including the signature Tiger Paw 17th hole, run along the shores of Lake Hartwell and offer one of the most spectacular collections of finishing holes in the Southeast.

We hope to have another successful event. With your help, we can make this the most successful golf tour-
