FEATURED ROUTE

SPOTTED HORSE LOOP

DISTANCE: 3.41 miles   **HIKING TIME**: 1:30   **DIFFICULTY**: moderate

IDEAL FOR: Pets, distance hikers, trail runners and cyclists.

PERKS: Mostly wooded trails. Variety of environments along the route. Substantial elevation change for those wanting a more challenging route.

PRECAUTIONS: Several points of elevation change along this route. Pay extra close attention to footing and steep grade where Loopty Logging Road intersects with Spotted Horse.

⚠ Steep grade at this intersection. Use caution, especially when wet.

The Loopty Connector intersection offers users an option to lengthen or shorten their route.

Several trails cross creeks; all are passable without getting wet.
