Players may choose to use their own racquets or use racquets provided by Intramural Sports staff. Racquetballs will be provided by Intramural Sports staff.

**Game Factors, Time and Length**

1. Games will be played according to the standard USA Racquetball structure. Each match will consist of two 15-point games and one 11-point tiebreaker game (if necessary). A player may only score points during his or her own service games. The winner of the match will be the first player to win two games. Official USA Racquetball rules can be found at [http://www.usra.org/Rules.aspx](http://www.usra.org/Rules.aspx).

2. It is important for the server to announce and for both players to agree on the score before each first serve.

3. At the conclusion of each match, it is the responsibility of the winning team to report scores to the Intramural Sports Manager on duty. Failure to do so will result in a forfeit.
