Outdoor Fitness and Wellness Center

2015 Football Parking Information and Policies

RV, bus or car parkers, who fail to abide by these policies, may be asked to leave the property at any time without refund.

General Policies

Cash is no longer accepted on-site, only credit and debit. Pre-payment guarantees your space! After payment, receipt must be printed off and kept in the window of your vehicle for each week’s game. Failure to produce a receipt may result in repayment. Season pass holders will keep the same receipt all season long.

No refunds will be given on game day reservations.

The resale or reproduction of any passes will result in your pass being revoked and potential criminal charges.

The entry gate for the Outdoor Fitness and Wellness Center opens at 6:00 a.m. for noon games and 8:00 a.m. for all other games.

Pets are welcome, provided they have ID tags stating current vaccinations and are kept on a leash. Pet owners are required to clean up after their pets.

Groups are permitted to have camp fires if and only if contained within fire rings. This should be cleared and picked up before departure of premises.

The field and waterfront areas are available for tailgate reservations. You can submit a reservation request on our Reservation and Rentals page here.

There should be absolutely no traffic on the tailgate field areas near the RV sites. These fields have irrigation and are used throughout the year for sports programs.

The shuttle service begins at least 3 hours prior to kickoff and discontinues from kickoff to half time. It resumes operation from half-time until police stop managing traffic on Highway 93 after the game ends. The shuttle service is only available for those who have paid to park on-site.

Clemson University assumes no responsibility or liability for lost or stolen items or damage to your vehicle during your stay with us. Owners assume full responsibility for their property.
Car Parking

All cars will be charged $20 for a single day game pass and $100 for a season pass. Pre-payment reservations must be made before midnight the night before game day. (Ex. Friday evening at 11:59 p.m. for any Saturday games.) Otherwise, on-site payment will be collected.

All cars must be moved by noon, 12:00 p.m. on Sunday.

Parking attendants will assist with parking. Additional space for tailgating is not permitted. Failure to comply may result in your removal, including, but not limited to your vehicle being towed at the owner’s expense and no parking pass refund.

RV Camping

RV spots are reserved on a first-come, first-serve basis. This is done by purchasing the spot for the season or for a single game on our online software.

All RVs will be charged $200 for a single day game pass and $1,000 for a season pass. Pre-payment reservations must be made before midnight on the Thursday prior to a Saturday game. Reservations are for 10:00 a.m. on Friday through noon, 12:00 p.m. on Sunday. For any Thursday games access will be permitted that morning.

Additional RVs will be accepted on a first-come, first-serve basis beginning Saturday morning when the gate opens.

All RV campers must check in with the RV Camping Host. The host will assist in ensuring the proper parking of your vehicle.

There is one water spigot on-site. Please fill up any containers prior to parking.

There is not a dump station on-site. Please bag all of your trash and place it in any of the dumpsters on-site.

RVs should be fully self-contained and have a snorkel for the generator exhaust system. If you do not have a snorkel, you will be asked to turn off your generator between the hours of midnight and 7:00 a.m. to respect the safety of all other campers. There is no on-site power for RVs.

If RV campers are caught connecting to or tampering with power sources, their pass will be revoked and they may face criminal charges.

All sites are identified with numbered signs. RVs must stay within the boundaries and park in a manner that ensures adequate space between vehicles. Please park central to the site’s sign.

Only one RV and one passenger vehicle are allowed to park in the RV parking areas. Inappropriate behavior, vandalism or misuse of property will not be tolerated and may result in immediate expulsion from the area. No obscene language, loud music, or profanity will be tolerated. Noise/music must be kept at acceptable levels. Campers are requested to adhere to the designated quiet time between midnight and 7:00 a.m.

Use of the bathroom trailer provided at the Outdoor Fitness and Wellness Center will be limited to certain hours. Check with the RV Host for accessibility. Please note that this trailer is connected to an above ground holding tank with limited capacity, so minimal water usage is appreciated. At capacity, the holding tank will alarm and the RV Host must be notified immediately. Use of the trailer will be suspended if this occurs, until the tank can be emptied.
