TRI DELTA bring you.
Looking around at all of the seniors jam-packed in their living rooms, laughing and crying and clutching whoever was nearest to them, I knew they felt the same fleeting feeling like me—wishing for one more semester, one more recruitment workshop, one more sleepover on Norris Hall. At that moment, I knew that Tri Delta was something I wanted to be a part of, and making that decision has continued to be one of the best and most rewarding choices I have ever made. And now, with freshmen year coming to a close, I find myself harboring some of the same feelings I experienced during recruitment so many months ago—wishing for one more Douthit dinner, one more New Member meeting, one more night in Manning. They say time flies when you’re having fun, and I can confidently say that I have found the women that make my time fly in Tri Delta! Gwyneth Millican, PC ’20

In 1888, Tri Delta was founded by Sarah Ida Shaw at Boston University with the purpose of being an organization that would "be kind alike to all." This founding principle is still recognized today through our motto "Be Brace, Be Bold, and Be Kind." The Beta Theta Chapter at Clemson University strived daily to embody these values through our members' everyday lives. Our chapter of Tri Delta is more than just an organization. It serves our members as their home away from home. We are a family that pushes our members to be the best version of themselves, while also accepting everyone for who they are. We believe in "Bringing You" and we cannot wait to meet each of you for who you truly are.
In 1999, Tri Delta formed a national philanthropic partnership with St. Jude Children's Research Hospital. This partnership provides our members with wonderful opportunities to grow as individuals and leaders as we help children LIVE, scientists LEARN, and St. Jude LEAD in its mission of finding cures for childhood cancer and other life threatening diseases. In July 2014, Tri Delta made the largest single fundraising commitment of $60 million in 10 years -- the single largest fundraising commitment in St. Jude's history, and received prominent recognition by having the short-term housing facility named Tri Delta Place.

$173,000

We are so proud to say last semester, our chapter raised $173,000 for the children of St. Jude's Children's Research Hospital.
