Mission Statement

“Delta Phi Lambda Sorority, Inc. advocates Asian awareness, empowers women leaders through its values-based programs, and forges Everlasting Sisterhood through diverse shared experiences.”
“Delta Phi Lambda will be the sorority that is recognized by universities and among the greater fraternal community for its progressive initiatives that aim to develop women into strong, independent leaders.”
National Philanthropy

Osteoporosis is a condition that affects the bones by making them weak and brittle.

There are no cures, but there are treatments available that can help offset the disease.

Osteoporosis affects Asian women more than any other race or gender combination.
Chapter Philanthropy

Minority Mental Health is a movement created to help individuals in the minority community feel included and heard. We strive to bring awareness to mental health issues that are prevalent in various minority groups.
Volunteering

Animal Shelter

Clemson Downs
