Sigma Pi Fraternity Disciplinary Hearing Outcome

On November 23 and December 8, 2015, Sigma Pi Fraternity had administrative hearings regarding allegations from incidents that occurred during their new member education process and social events. Sigma Pi was found in violation of the following regulations in the Student Code of Conduct by the university disciplinary hearing board: alcohol, harm to person, hazing, student organization conduct, university policies, contempt, and damage to property. The fraternity received the following sanction after completing the appeals process: Suspension of organizational recognition through December 2020.
