Austin Ruple, CU Interfraternity Council

Agenda

- Welcome and Introductions

- CCC Business
 - Fall 2018 newsletter should be published later this month

- Briefing
 - Report from AOD Executive Leadership Team
 - National Championship viewing party had nearly 13,000 attendees which was an increase from the last viewing event.
 - 2 points of improvement from the National Championship Viewing Party:
 - Plastic cups being allowed on the streets should have a size limit
 - There should be a limit in the number of drinks a person can buy at one time in a bar
 - End of football season and National Championship viewing party
 - Review of National Championship Viewing Party:
 - 6-7 arrests at the event 10-12 total for the night
 - 58 officers downtown and 20 more could have been used
 - Extra CAT **busses** were running to get students from downtown to their apartments safely
 - Clemson Housing and Campus Activities and Events did not offer as much programming compared to the last National Championship because many students were not back on campus yet
 - Concerns from National Championship Viewing Party:
 - Underage people in the streets who were not allowed in the bar
 - People sneaking in alcohol
 - The crowds were so large that the police were not able to easily move through the crowds
 - People climbing trees and light posts caused concerns
 - Suggestions for the next National Championship:
 - Potentially having viewing locations on campus (CORE/Stadium)
 - Having gates downtown that separated the sidewalks to that people and police could navigate the crowds more easily
 - Putting up additional screens
 - Other football:
 - Follow-up from last season:

- No big issues with night games
 - There were a lot of fights reported during the Carolina game
- Next Year:
 - The first game of the season will be a Thursday night game the first week of classes
 - Questions about how this will impact the first Friday parade
- Clemson University
 - Clemson Against Drunk Driving (CADD) week & "Drive to Zero" event
 - Tentatively, week of March 4
 - Drive to Zero – March 5 & 6, 1:00-6:00pm
 - This is a driving simulator to teach about texting and drunk driving put on by SC transit for free
 - This go-cart simulation and educational video will be outside of Vickery Hall or behind Hendrix.
 - Tate and Megan have seen this simulator and believe that it is very realistic and that it should be well received by students.
 - Vaping – Awareness & education
 - Healthy Campus is working on educational modules that will be available for students by request.
 - Vaping and e-cigarettes are included in the Clemson University Tabaco Free Policy.
 - Tate - THC is being found in vaping pods. If the label reads "Only to be sold in Colorado (or other stats where THC is legal)" then it likely has THC in it.
 - IFC spring recruitment recently completed
 - No incidents reported.
- City & Community
 - Ain't Pattys Weekend efforts - March 9
 - Healthy Campus is working to promote alternative events for students.
 - Bars are hoping that CU Waterdrop will help to provide water for them to give out to people during the event.
 - 0.0K Bar Crawl – April 13
 - This was brought up by Chief Dixon as something to look into.
 - Hoping to get more details and information on this event which is being hosted by Clemson Hope as a fundraiser.
 - Tuk Tuk auto rickshaws are downtown
- Updates from the group
 - Shannon Lambert:
 - April is Sexual Assault Awareness Month
 - Bar Outreach Project:
 - April 28th
 - Training for bartenders and waitstaff put on by Our Voice
 - Train the Trainer Session will be offered if there is interest in becoming a trainer for drug related sexual assault trainings.
 - Walk a Mile in Their Shoes
 - April 11th at Patrick Square
 - Walk, food vendors, live music
 - PCAC Golf Tournament
 - April 5th
 - Joe Strickland:
 - Certified Peer Educator Training is on February 15-16.

- FSL is hosting the Piazza and Gruver families to share their experiences and speak on hazing prevention.
 - April 15th, hopefully in Littlejohn Coliseum
- Step Up Training – Student members of IFC and CPC have been trained and continuing to work on the programs.
 - People would like for this training to become more available to students outside of Greek Life.
- Dave Eckstein:
 - There will be a StepUP training at St. Andrew’s for older parish members and college students
 - Would like people to review the PIRE study which is attached to the minutes.
- Kristi Bussell:
 - Out of the Darkness Walk – March 2, 2019 at Tillman Auditorium. For more information, see Clemson’s Events Calendar.

March 2nd, 2019

- Announcements
 - 5th Law Enforcement Summit – February 2020 TBD
 - Empathy Workshop Series, hosted by Healthy Campus
 - Feb. 7 (Self Empathy), Feb. 21 (Empathy towards Others), & March 7 (Communicating Empathy)
 - Each workshop is a stand-alone skill, but they relate to one another and can help to cultivate empathy in your personal and professional life.
 - Please pass along the flyer and information to your students.
 - Students can register at clemson.edu/healthy-campus
- Adjourn

Upcoming Meetings: 1st Wednesday of every other month, 3:30-4:30pm

<u>Date</u>	<u>Location</u>
April 3, 2019	Council Chambers, Clemson City Hall
June 5, 2019	Council Chambers, Clemson City Hall
August 7, 2019	Council Chambers, Clemson City Hall

Role and purpose of CCC membership

As a CCC member, you will:

- Contribute to a discussion of local and national trends regarding alcohol and other drug use and negative consequences.
- Discuss ideas for evidence-based initiatives to address these issues.
- Discuss current AOD prevention and enforcement efforts from campus and community groups/offices.
- Identify opportunities for collaboration across groups/offices.
- Maintain relationships with various stakeholders who contribute to AOD prevention efforts.
