Harriett Graham Courtney, CU Fraternity/Sorority Life  
Dave Walthius, CU Fraternity/Sorority Life

MINUTES

Welcome
- Welcome to Dovie Gamble from Steppin’ It Up at Behavioral Health Services, Hannah Muldoon and Nikki Williamson from Campus Activities and Events at Clemson University.

Agenda

Clemson University
- Party.0 is a non-profit helping college student students host substance-free, off campus parties.
  - Crystal and Mal are working to get Party.0 to Clemson by Spring of 2017. Lauren Singleton, CUSG Health and Human Services student, is taking on Party.0 as her project.
  - Intro video: [https://www.youtube.com/watch?v=_0FnVq5Iuv8](https://www.youtube.com/watch?v=_0FnVq5Iuv8)
  - They are looking for students who would be interested in being a part of the leadership team.

- Law Enforcement will be on Tuesday, March 7 from 8:30am-2:00pm in the Madren Center Ballroom A. The theme is mental health concerns and/or risk of suicide.
  - Tate Brown recommended Watch Commander Scottie Frier, Lexington County Sherriff’s Office, as our keynote speaker on suicide threat assessment.
  - Mal requested to contact her if you, or anyone else you know, are interested in attending.

- Aspire had a 98% completion rate for the CU1000 requirement and the aspire team hired their new facilitators for next Fall. The facilitators enrolled in the Aspire CI in the Spring to train.

- AOD Intervention: Implementing BASICS as a sanctioned program in OCES
  - BASICS is a brief motivational intervention that uses alcohol screening and feedback to reduce problem and binge drinking by enhancing motivation to change, promoting healthier choices, and teaching coping skills to moderate drinking.
  - Crystal followed up with George Montgomery about their plan for training and implementation.

- Establishing a Collegiate Recovery Community at Clemson
- Crystal reported that CUSG passed a student resolution to support a Collegiate Recovery Community.

- **February BOT Student Affairs Committee Meeting**
  - Report will be given on alcohol education and programming.
  - This is a good opportunity to provide clear recommendations for how the Board can assist us with AOD initiatives.

- **Screen-U/ E-CHECKUP-TO-GO**
  - Screen-U is a 5-minute, interactive web program that explores alcohol and drug use patterns and receive personalized feedback about substance use. It identifies your current risk level and provides strategies to reduce your risk of negative consequences.
  - E-CHECKUP-TO-GO is a 20-minute, interactive web program that provides a more comprehensive overview of behaviors and the choices made in terms of the alcohol and drug use. This assessment will increase awareness about the impacts substance use has on thoughts, financial standing, health, and overall performance. It is meant to be used as a “check-up” for substance use, much like you would get a check-up from the doctor.
  - Both are self-guided and confidential, looking at Alcohol and Marijuana use: [http://www.clemson.edu/campus-life/healthy-campus/aod/self-assessments.html](http://www.clemson.edu/campus-life/healthy-campus/aod/self-assessments.html)

**City & Community**

- **Fall Crawl Feedback – Saturday, November 19**
  - Crystal reported that there were fewer individuals participating in Fall Crawl this year than in years past. Minimal issues or activity.
  - Potential reasons for less participation include: Some students travelled to the football game at Wake Forrest, and it was the weekend before Thanksgiving so some students may have left.

- **“Spring into Clemson” will be on Saturday, April 1st from 1:00- 8:00pm and is planned by the non-profit alliance committee comprised of 8 nonprofits, modeled after “Fall for Greenville.”**
  - Shannon reported that there will be 3 live bands, a children’s area, and outdoor vendors on the streets.
  - City Council provided $5000 and all proceeds will go to the 8 non-profits.
  - Alcohol will be purchased inside the bars to those only with a wristband. IDs will be checked when acquiring the wristband and when purchasing the alcohol within the bar. The bars are responsible for making sure individuals have a wristband on before leaving the bar. Tate will be training bartenders on how to check IDs.
  - Volunteers are needed for 3 hours shifts in all areas.
  - Event website: [http://springintoclemson.com/](http://springintoclemson.com/)
  - Facebook: [https://www.facebook.com/events/841959195941473/](https://www.facebook.com/events/841959195941473/)

- **Off-campus Living Guide** is a service booklet created by JCUAB that provides tips about roommate conflict resolution, utilities, transportation, and services.
  - Jennifer reported that the guide is available online currently and JCUAB is working with campus banner and design to create hard copies of the guide for the summer.

- Shannon reported that 2 of her staff members from PCAC attended a program called “Bar Outreach Project” that was run by SCCADVASA and trained on how to prevent drug facilitated sexual assault.
CCC Business

- Reminder that we will move our meeting time to 3:30-4:30pm starting with our January 4th meeting.
- The calendar invite has been changed for the Spring semester. Contact Crystal if you have not received the updated invite.

Clemson Community Coalition

*Vision Statement:* We envision a campus and community committed to a high quality of life free of the impact of substance abuse and its adverse effects.

*Mission:* To promote cultural change by engaging in research, education, coalition building, environmental management, interventions, and other appropriate activities to reduce high risk AOD (alcohol and other drugs) use primarily among college students in the community.
