Welcome to Barbara Moss, director of Steppin’ It Up Coalition in Pickens.

Agenda

Clemson University

- National College Health Assessment – AOD & SV presentation (See attached)
  - Crystal presented the Clemson alcohol and other drug and sexual violence data from the national college health assessment during the meeting. She looked at trends from 2010 to 2016 and reported on education, intervention and treatment, environmental management, and protective measures. The results showed a much higher perceived use of alcohol and marijuana than actual use by Clemson students. Most other averages were in close to national averages although Clemson is still striving to lower these averages.
- Law Enforcement Summit 2017 – Tuesday, March 7 from 8:30am-2:00p.m.; Madren Center. Theme: mental health and risk of suicide.
  - Crystal estimated for around 80 individuals to attend the summit. The keynote speaker, Lt. Scottie Frier, presented some sensitive and graphic language and images. Attendees received an email regarding presentations prior to the event. Overall, the Law Enforcement Summit was a great success.
- Healthy Campus’s AOD Creative Inquiry & The Filling Station Event
  - Crystal reported the first Filling Station of the semester, on Feb. 23 at the Fike Wellness Zone, was a success thanks to two sororities making the station a required alcohol education activity.
    - Next Filling Station – Thursday, March 16 from 11:30-2:30 p.m.; Horseshoe City & Community

- Clemson vs. Notre Dame baseball series – March 10-12
  - Crystal reported that the CCC, Healthy Campus, and Clemson Baseball will be teaming up to present a 15 second image board during the baseball game with an alcohol safety message.
- Ain’t Patty’s Day – Saturday, March 11th; Downtown Clemson
  - Lambda Theta Phi will be selling quesadillas from 3:00-8:00p.m.
  - Healthy Campus will hang posters in bars in downtown and post social media content regarding social norming and risk reduction behaviors.
• Tate reported that SLED will have heavy presence downtown. The biggest problem they have seen is intoxicated individuals separating from their parties. Tate advised to continue educating students about staying with a group of friends and not leaving drinks unattended.

• Shannon reported that they plan to meet with Clemson PD and local bar owners and bartenders to educate on recognizing behaviors of over-intoxication and predator behaviors on Tuesday, April 4.

• “Spring into Clemson” – Saturday, April 1st, 1:00- 8:00pm, Downtown Clemson
  o Shannon announced that they are still looking for trusted volunteers for 3-hour shifts. The application is attached and will be due on March 10. There will be two volunteer trainings but they will be flexible with last minute volunteering. Shannon encouraged the idea to reach out to students who are looking for volunteer work and who need to complete PTI (pre-trial intervention) or AEP (alcohol education program). Volunteers should be 16+ and if younger, need an adult to be responsible for them. Wristbands will be $10 and there will be a giveaway for a National Championship football signed by Dabo.
  o Website for the event: www.springintoclemson.com

• Sexual Assault Awareness Month
  o Shannon announced that they will be launching a new campaign called “Follow My Lead” that focuses on bystander intervention.
  o Taylor announced that there will be a “dancing with the stars” type of event on Wednesday, April 12, Demin Day on Wednesday, April 26, and a drive-in conference, in partnership with NASPA, that will focus on stalking and relationship violence on Tuesday, May 2.

Clemson Community Coalition

Vision Statement: We envision a campus and community committed to a high quality of life free of the impact of substance abuse and its adverse effects.
**Mission:** To promote cultural change by engaging in research, education, coalition building, environmental management, interventions, and other appropriate activities to reduce high risk AOD (alcohol and other drugs) use primarily among college students in the community.
