**MINOR**

1) All sociology majors must have a minor.
2) The requirements for minors vary greatly. Check the undergraduate catalog for the specific requirements for your minor.
3) Minor courses MAY double dip with General Education and Advanced Humanities requirements. Minor courses MAY NOT double dip with major requirements. This is especially important to note for Anthropology, Legal Studies, and Women’s Studies minors. Sociology courses MAY NOT count toward the Social Science Cluster minor.

**ELECTIVES**: All Sociology majors must accumulate a minimum of 121 credit hours in order to graduate. The number of elective hours one needs is the difference between 121 and the total number of hours taken to meet all other requirements.
