**Word, Excel, PowerPoint, and OneNote for iPhone or iPad**

Install the Word, Excel, PowerPoint, and OneNote app for iPhone/iPad so that you can edit documents on you iPhone or iPad.

You cannot use OneDrive for editing or creating new documents on your iPhone/iPad until you have downloaded the apps for Word, Excel, PowerPoint, and OneNote.

To install the apps for Word, Excel, PowerPoint, or OneNote on your iPhone or iPad do the following:

1. On your iPhone or iPad go to the Apple App Store.
2. Search for Word, Excel, PowerPoint, or OneNote.
3. Select the “Free” button in the app.
4. Select “Install”.
5. Enter your Apple ID and password if prompted. As soon as the app is installed, it will appear on your home screen.
6. Tap any Office app to open it. Swipe through the introduction, and tap Sign In.
7. Enter in your Clemson University email address.
8. Select “Work account”.
9. Enter in your Clemson University email address (if not automatically populated) and password.
10. You should see the following:
