The diagram illustrates the interplay between different committees and components within a university framework. The central components are the College Advisory Board, Senior Leadership, Professional Accreditor, External Agencies, and Annual Reports, Program Review, Professional Accreditation.

1. **College Advisory Board**
   - Review Values, Vision, Mission

2. **Senior Leadership**
   - Oversee/Strategic Input

3. **Professional Accreditor**
   - Review, Revise, Approve

4. **External Agencies**
   - Review, Revise, Approve

5. **Annual Reports, Program Review, Professional Accreditation**
   - Review, Revise, Approve

The diagram also highlights strategic planning and operational plans, with a focus on academic and administrative units. Key processes include:

- **Develop and Implement Operational Plans**
- **Conduct Annual Assessments**
- **Annual Assessment Cycle**
  - Assessment Plan
  - Assessment Results
  - Goal Refinement
  - Unit Goals
  - Planned Activities
  - Specification of Outcomes

The flow of information and decision-making is shown through arrows connecting these components, emphasizing the cyclical nature of assessment and planning.
