2017 Clemson International Biomaterials Symposium – China
Monday April 10, 2017, Madren Conference Center, Clemson, SC

7:30-8:15 Registration – Continental Breakfast

8:15-8:30 Opening Remarks - Bellsouth Auditorium
Guigen Zhang, Professor of Bioengineering, Program Chair
Xingdong Zhang, President of the International Union of Societies of Biomaterials Science and Engineering, Professor of Sichuan University, Sichuan, China

8:30-10:00 Session 1: Biomaterials Science and Translation - Bellsouth Auditorium

10:00-10:30 Break

10:30-12:00 Session 2: Micro and Nano Technologies for Enhanced Biomaterials - Bellsouth Auditorium

12:00-1:30 Lunch - Ballroom A

Plenary presentation: Bioengineering of Cell Reprogramming
Kam Leong, Professor of Biomedical Engineering, Columbia University
Editor in Chief, Biomaterials

1:40-3:20 Session 3: New Frontiers of Biomaterials and Globalization - Bellsouth Auditorium

3:30-5:30 Poster Reception - Ballroom A

7:00- Dinner (by Invitation Only) Blue Heron, Clemson, SC
