DIRECTIONS

There are 2 areas designated as bus loading (drop off) areas. Choose one of the following 2 options:

Option 1 - Bus loading area located in the Long Hall section of the Sikes Hall parking lot (E-6)
(search for Jordan Hall, Clemson, SC 29631 on Google Maps)

- **I-85** to exit #19B (Hwy. 76/28 west). Exit toward Clemson University.
- Follow **Hwy. 76/28 west** for approximately 12 miles. Just after you pass the armory on your right and go through a traffic light, exit off Hwy 76 onto **Hwy 93 S** towards Clemson University.
- At the top of the exit ramp, go left at the light onto Hwy 93 S.
- Stay on Hwy 93 through 3 traffic lights. You’ll first pass the President’s house (white building with columns) and then Sikes Hall (brick building with columns), both on your left.
- At the 3rd light, turn left. Sikes Hall will be on your left.
- At the 4 way stop, turn left. Follow the parking lot road around to the backside of Sikes Hall and pass the row of metered parking spaces.
- At the stop sign, turn right and follow the parking lot road around to the front of Long Hall. As you drive past the front of Long Hall, you’ll see a yellow marked loading zone ahead on the right. Your bus may pull off here.
- This space may be used for no longer than 15 minutes and a driver must remain with the bus while there.

**Walk to the CU Life Sciences Outreach Center** (located in the basement of Jordan Hall)

Walk around the left side and to the back of Long Hall. Jordan Hall is the brick building, directly behind Long. Use the exterior stairs to get to the basement level of Jordan and enter through the double doors. Continue straight down the hallway until it ends, turn left and then quickly right, and you’ll find the CU Life Sciences Outreach Center labs and lobby area.

**To Bus Parking (SC Botanical Garden) from Option 1 loading area** (search for SC Botanical Garden, Clemson, SC 29631 on Google Maps)

- **Buses should then continue straight ahead**, down Parkway Drive (one way), passing the President’s House
- **At the stop sign**, turn left onto Cherry Road and then immediately turn right onto Hwy 93 at the traffic light.
- **Go through one traffic light**, and then exit right off Hwy 93 onto Hwy 76 E towards Anderson
At the first light, turn right onto Perimeter Road (Pearman Blvd.). The entrance to the SC Botanical Garden parking lot is just ahead on the left. Once parked, you may walk back to Jordan Hall, or use another means of transportation as detailed in our logistics letter.

Option 2 - Bus loading area between Edwards Hall and Schilletter Dining Hall (back up move required) (search for Epsilon Zeta Drive, Clemson, SC 29631 on Google Maps)

- I-85 to exit #19B (Hwy. 76/28 west). Exit toward Clemson University.
- Follow Hwy. 76/28 west for approximately 12 miles. You will pass the Armory on your right and shortly thereafter come to a traffic light.
- At the light, turn left and turn onto Perimeter Road (Pearman Blvd.).
- Take the first right onto McMillan Road (just before the fire station). Follow McMillan Rd until you come to a traffic light.
- Continue straight through the light. You will pass the Hendrix Student Center on your right and the road will curve around to the right.
- Take the first right onto Epsilon Zeta Drive (this is a short road between Edwards Hall and Schilletter Dining Hall). Pull into the service space area on the left side of the road, behind the mobile medical unit/bus (if it is parked there) and unload. This area will require the bus to make a back up maneuver to get out, but there is plenty of space in this area with minimal traffic.
- This space may be used for no longer than 15 minutes and a driver must remain with the bus while there.

Walk to the CU Life Sciences Outreach Center (located in the basement of Jordan Hall)

- If your bus parked on Epsilon Zeta Drive behind the mobile medical unit, the building on the left is Edwards Hall. Walk in front of Edwards Hall and around the left side of the building. As you do, you’ll see Jordan Hall, the brick building right behind Edwards. Use the exterior stairs to travel to the ground floor of Jordan Hall and enter the building through double glass doors. The CU Life Sciences Outreach Center lobby and laboratories are directly ahead and to the right.

To Bus Parking (SC Botanical Garden) from Option 2 loading area (search for SC Botanical Garden, Clemson, SC 29631 on Google Maps)

- Buses should then continue down McMillan Road and use the traffic circle at the end of the road to turn around. Exit out the way you came in – pass the Hendrix Center on your left, go straight through the traffic light, and pass behind the fire station.
- At the stop sign turn right onto Perimeter/Pearman Blvd.
- The SC Botanical Garden parking lot is just ahead on your left.
- There is no available bus parking in the center of campus/near Edwards Hall. Once you have parked, you may walk back to Jordan Hall, or use another means of transportation as detailed in the logistics letter.

Please be sensitive to the administrative offices and classes in session as your group moves through academic buildings – thank you in advance!
