Osher Lifelong Learning Institute

2009 - 2010 Membership Benefits

Osher Lifelong Learning Institute

OLLI at Clemson University exists so that no adult who is age 50 and better in the upstate of South Carolina ever has to give up the joy of learning. We are dedicated to providing opportunities for adults to gain knowledge and expertise in a wide variety of academic and recreational pursuits that match our participants' interests and way of life. Our goal is to do this so that learning is fun and interactive, and so that it promotes the formation of lasting friendships and a strengthened community.

We would like to take this opportunity to express our appreciation to our new OLLI members. Without our members, OLLI could not exist. If you have any ideas or suggestions for improving our membership benefits package or any other part of our program, feel free to contact the OLLI office.

The OLLI Board is pleased to present the 2009-2010 OLLI Annual Member Benefit Program for our members. Annual membership runs from July 1, 2009 through June 30, 2010.

The Annual Membership Program has been implemented to allow us to report OLLI membership statistics according to the reporting requirements of our major benefactor, the Bernard Osher Foundation as well as to better forecast our annual membership for planning our course offerings on a long-term basis. Annual Membership is a requirement for enrollment in any OLLI course or event.
