

## **Clemson IE Alumni Award**

The Clemson IE Alumni Award recognizes alumni of the Clemson University Department of Industrial Engineering that have made a notable impact on the industrial engineering profession.

**Eligibility:** Must be an alumnus of the Department of Industrial Engineering at Clemson University.

**Number of Awards:** Not more than one award will be granted each year.

**Criteria:** The award recipient will have made a notable impact on the industrial engineering profession through any of the following ways:

- Significant impact on the productivity of an organization through applications of industrial engineering methods.
- Excellence as a teacher or advisor of industrial engineering students or as a mentor of industrial engineers.
- Significant accomplishments in a management position.
- Creative works in developing an important result for the practice of industrial engineering.
- Innovation in organizing educational materials that advance the development of industrial engineers.
- Significant effort on behalf of the Clemson University Department of Industrial Engineering.

The award recipient is invited attend the Industrial Engineering Department's April Honors and Awards Banquet to receive the award.

Nominations for the award must contain the information needed to clearly identify the reason for the award and substantiate achievement of the award criteria. The deadline for nominations is February 2, 2004.

Nominations should be mailed to:
