Apply to be a camp COUNSELOR!!!

**Project: WISE** is a fun-filled week-long academic summer camp for girls. It is open to young women who will enter sixth, seventh or eighth grade in the 2015-2016 school year. Counselors will live on campus for the entirety of the camp. You may take summer courses, but must be available in the evenings for camp activities.

**We Do Math!** is a one-week summer camp for rising ninth- and tenth-grade girls. We Do Math! gives the girls an opportunity to develop algebraic and geometric concepts while also working on critical-thinking and problem-solving skills. Counselors will act as mentors and like Project: WISE, counselors will live on campus for the entirety of We Do Math!

I want to be a counselor for...

- [ ] Project: WISE  
- [ ] We Do Math!  
- [ ] Both
