The following are questions asked by Offerors along with the response by Clemson University. Any changes to the original scope reflected in these answers will take precedence over any information in the original Bid solicitation. Any information not addressed specifically in this amendment will remain as stated in the original Bid solicitation.

Q1. Under the Solicitation Outline section page 4, paragraph 1 states: The nature of work shall include, but not be limited to water mitigation services, fire mitigation services, mold remediation, smoke removal, chemical contamination, wind/storm damage, man-made disasters . . . Is this contract a hazardous waste contract and/or can the “chemical contamination” be removed? ...
