The 2010 EUREKA! program will bring approximately 33 incoming freshman Honors students to Clemson for a five-week period during second summer session in which they will actively participate in research projects or other scholarly activities. The EUREKA! program is seeking applicants from current honors students to work as summer resident assistants. Candidates that are selected will: 1) receive a salary of \$350 per week for the 5 week period; 2) be housed in Lightsey Bridge Apartments; 3) be provided a meal plan at Harcombe Dining Hall; and 4) will be expected to participate in University Housing resident assistant training and all scheduled program activities with the participants.

What experiences and personal characteristics do you have that you think would contribute to your performance as a summer resident assistant for the honors EUREKA! program? (please write your response below)
