Second Semester
3 - Guided Requirement
3 - Health Requirement
7 - Elective
13
120-123 Total Semester Hours

2See General Education Requirements. Six of these credit hours must also satisfy the Cross-Cultural Awareness and Science and Technology in Society Requirements.
3MATH 1020 or 1060
3See advisor. Courses in Spanish are strongly recommended.
4Any HLTH course not otherwise required
5STAT 2300 or 3090
Physician’s Assistant, predentistry, and premedicine students may also need to HM 3010 and eight credit hours of organic chemistry. Some programs also require a course in microbiology.
6Internship must be completed in one or two semesters. Internship may be done full time, spring, or summer after completing HLTH 4190. Prior approval is required for summer internships. A grade point average of 2.0 is required for registration.
Note: A minimum grade point average of 2.0 is required for registration in each HLTH course.

JUSTICE STUDIES
Bachelor of Arts
The Bachelor of Arts degree in Justice Studies is an interdisciplinary degree that prepares students for a variety of professional careers related to law enforcement, social services and criminal investigation. In addition, the degree provides excellent preparation for graduate education in criminology and public policy. The major offers two concentrations: the General Concentration and Leadership Concentration. The General Concentration allows students to pursue a science oriented education while still selecting from a wide variety of course options. The Leadership Concentration prepares students specifically for leadership or management roles in their field. The Justice Studies degree requires a total of 121 credits, including 39 in relevant courses. In addition, students take 18 hours of math and/or science courses selected from a department-approved list. These additional courses provide students greater scientific literacy on topics relevant to the technical elements of criminal investigations, and prepare students for graduate coursework.

Freshman Year
First Semester
3 - MATH 1010 Essential Math for Society1 or
3 - MATH 1020 Business Calculus1 or
4 - MATH 1060 Calculus of One Variable1 or
3 - SOC 2010 Intro to Sociology1 or
3 - SOC 2020 Social Problems1 or
3 - Modern Language Requirement2 or
4 - Natural Science Requirement2 or
3 - Social Science Requirement2 or
16-17
Second Semester
3 - COMM 1500 Intro to Human Comm or
3 - COMM 2500 Public Speaking or
3 - HON 2230 Studies in Communication
3 - ENGL 1030 Accelerated Composition
3 - STAT 2300 Statistical Methods I or
3 - Cross Cultural Awareness Requirement2 or
3 - Modern Language Requirement2 or

121-122 Total Semester Hours

2 Math 1060 is recommended.
3 See General Education Requirements. The Social Science Requirement may not be fulfilled by a SOC course.
4 Select from a department-approved list.
5 See page 88 for approved minors.
6 General concentration students select from POSC 4360, 4370, SOC 3910, 3920, 3970, 3980, 4280, 4860, 4940, and 4950.
7 Leadership concentration students select from JUST 4290, 4295, 4950, and 4960.
8 SOC 4680, 4910 and 4930 may be taken in any order.
9 Select from ANTH 4230, SOC 3510, 3600, 4140, 4330, 4600, and 4610.

LANGUAGE AND INTERNATIONAL HEALTH
Bachelor of Science
The Language and International Health program is administered by the College of Architecture, Arts and Humanities and the College of Behavioral, Social and Health Sciences. See pages 60-61 for the curriculum.

NURSING
Bachelor of Science
The Bachelor of Science degree program in Nursing prepares students for professional nursing practice in a variety of settings, such as hospitals, industry, clinics, and public health agencies. During the first two years, emphasis is on liberal arts and basic science courses arranged to provide a foundation for the nursing major. Junior and senior courses emphasize the study of nursing. Clinical nursing experiences, guided by the Nursing faculty, involve acute and community-based settings. Students are responsible for their own transportation to clinical laboratory experiences, which may extend throughout the Upstate.

Throughout the clinical laboratory period, Nursing majors are required to carry current, valid student nurses' professional liability insurance with minimum limits of liability of $1,000,000 per occurrence and $6,000,000 in aggregate. Documentation of such coverage must be provided to the Director of the School of Nursing. No student may participate in clinical learning activities without this insurance coverage.

To comply with clinical agency contract requirements and South Carolina law, students enrolled in nursing courses with a clinical laboratory must meet specific requirements listed in the School of Nursing Student Handbook at www.clemson.edu/health/nursing.

The School of Nursing programs are accredited by the CCNE (Commission on Collegiate Nursing Education), One Dupont Circle NW, Suite 530, Washington, DC 20036-1120.

Entrance Requirements
To facilitate admission of students who can achieve at an appropriate level in the program, admission is selective. Consideration is given to performance in secondary school and on the College Board Examination (SAT). Those seeking admission are advised to apply to the University early in the fall of the senior year in high school.

Transfer admission is competitive. Students are encouraged to apply early to the Office of Admissions. The University admits ten new transfer students to the Nursing major during the fall semester only. Potential students should have a minimum grade point average of 3.0 and completion of 30 semester hours of transferable courses. Placement in the Nursing curriculum will be determined after credit evaluation is completed.

Students may change majors into Nursing based on approval of an Admissions Committee in the School of Nursing. Applications are accepted each year during January with a deadline of January 31. Decisions are made by February 28. Change of major students will have a start date of the following January into upper division (junior-level) nursing courses. Applicants should meet the following requirements prior to the semester of application: a minimum cumulative grade-point average of 2.75, completion of a minimum of two required sciences in the Nursing curriculum with a C or better. Selection priority is based on grade point average and number of completed nursing prerequisites. Students are advised to apply only twice. Information regarding the admission process to the Accelerated Second Degree nursing program can be found on the School of Nursing website.

Sophomore Year
First Semester
4 - BIOL 2220 Human Anatomy and Phys. I
4 - MICR 2050 Introductory Microbiology or
4 - MICR 3050 General Microbiology
3 - NUTR 2050 Nutrition for Nursing Professionals
3 - Arts and Humanities (Literature) Requirement
2 - Elective
16

Second Semester
4 - BIOL 2230 Human Anatomy and Phys. II
3 - NURS 3100 Health Assessment
2 - NURS 3110 Health Promo: Across the Lifespan
3 - NURS 3200 Professionalism in Nursing
3 - Cross-Cultural Awareness Requirement
1 - Elective
16

Junior Year
First Semester
3 - ENGL 3040 Business Writing or
3 - ENGL 3140 Technical Writing or
3 - ENGL 3150 Scientific Writing and Comm.
3 - NURS 3040 Pathophysiology for Health Care Professionals
4 - NURS 3120 Medical-Surgical I: Foundations of Nursing
2 - NURS 3230 Gerontology Nursing
3 - NURS 3400 Pharmacotherapeutic Nursing Interventions
15

Second Semester
3 - NURS 3200 Professionalism in Nursing
3 - Cross-Cultural Awareness Requirement
3 - Arts and Humanities (Non-Lit.) Requirement
3 - NURS 3110 Health Assessment or
3 - NURS 3100 Health Promo: Across the Lifespan
3 - NURS 3300 Research in Nursing
3 - NURS (HCG) 3330 Health Care Genetics
16

Senior Year
First Semester
5 - NURS 4010 Mental Health Nursing
5 - NURS 4110 Nursing Care of Children
5 - NURS 4120 Nursing Care of Women and Their Families
15

Second Semester
5 - NURS 4030 Medical-Surgical III: Complex Nursing of Adults
6 - NURS 4100 Leadership Management and Nursing Care Practicum
5 - NURS 4140 Community Health Nursing and Health Promotion or
4 - NURS 4150 Community Health Nursing
15 or 16

124 or 125 Total Semester Hours

1 Students scoring below the designated score on the CPTM must take MATH 1010 as a prerequisite for CH 1010 during this semester.
2 See General Education Requirements.
3 Students enrolled at the University of Greenville may substitute CPSC 1200.
4 Students enrolled at the University Center of Greenville may substitute NURS 4140 for NURS 3110 and 4150.
5 If this requirement is satisfied by another course in the curriculum, elective hours must be taken to cover the credit hours.
