June 15, 2009

TO: Interested Purebred Breeders

FROM: Dr. Larry W. Olson - Ext. Animal Scientist & Bull Testing Program Coordinator

SUBJECT: 2010 Clemson Bull Testing Program Nominations

Enclosed are the calendar, requirements, health certificates and nomination forms for the 2010 Clemson Bull Testing Program - Clemson Bull Test and Edisto Forage Bull Test.

2010 Clemson Bull Test - Consignors should complete the nomination forms and send in their nominations with the \$100 per bull nomination fee, as soon as possible. If you know which bulls you will be nominating, do not wait on their weaning weights before sending in the nominations. Weaning weights can be added later. For an ET bull, the recipient's birth date needs to be provided. It is very important to provide the actual birth weight, weaning date and weaning weight for each bull..

Minimum Sale Price – A minimum sale price of \$1,200 has been set for all bulls in both bull sales. Bulls that do not bring the minimum price will be “no sales”. In order to prevent people from waiting until after the sale to buy a cheap bull, “no sale” bulls will not be sold after the sale. Consignors must pick up their “no sale” bulls after the sale or have the test manager ship them directly to slaughter the following week.

Nomination deadlines are set early enough to give consignors time to receive official notification of acceptance or rejection of their bulls before going to the expense of brucellosis test, persistent BVD test and health papers (CVI).

2010 Clemson Bull Test - Nominations Due - August 1, 2009

2010 Edisto Forage Bull Test - Nominations Due - October 15, 2009
