

Tentative PhD Course Cycle (odd fall/even spring)

FALL OF ODD YEARS

MONDAY

EDF 9270 Quantitative Research Designs and Statistics for Educational Contexts

One Advanced Quantitative Research Methods Course, Examples:

EDF 9080 Advanced Educational Tests and Measurement

EDF 9780 Multivariate Educational Research

EDF 9810 Design-Based Research Methods

Program specific courses

TUESDAY

ED 9380 Grant Development in Education-Related Fields

EDF 9790 Qualitative Research in Education

One Advanced Qualitative Research Methods Course, Examples:

EDF 9710 Case Study and Ethnographic Research Methods and Design

EDF 9720 Phenomenology and Grounded Theory Research Methods and Design

EDF 9730 Narrative and Historical Research Methods and Design

EDF 9740 Emerging Qualitative Research Methods and Design

WEDNESDAY

EDF 9270 Quantitative Research Designs and Statistics for Educational Contexts
(Additional section only if needed; may be M/W daytime)

Program specific courses

EDF 9010 Seminar in the Learning Sciences I

ED 9030 Introductory Doctoral Seminar I (T&L)

THURSDAY

Program specific courses

SPRING OF EVEN YEARS

MONDAY

EDF 9750 Mixed Methods Research

EDF 9770 Multiple Regression/General Linear Model In Educational Research

Program Specific Courses

ED 9040 Introductory Doctoral Seminar II (T&L)

TUESDAY

EDF 9710 Case Study and Ethnographic Research Methods and Design

EDF 9770 Multiple Regression/General Linear Model In Educational Research
(Additional section only if needed; may be T/R daytime)

EDF 9790 Qualitative Research in Education

One Learning Theory Course, Examples:

EDF 9300 Bioecological Perspectives on Development and Learning

EDF 9550 Theoretical Bases of Instruction

EDLT 9000 Sociocultural Theories of Learning

WEDNESDAY

Program specific courses

THURSDAY

EDF 9770 Multiple Regression/General Linear Model In Educational Research
(Additional section only if needed; may be T/R daytime)

Program specific courses

Tentative PhD Course Cycle (even fall/odd spring)

FALL OF EVEN YEARS

MONDAY

EDF 9270 Quantitative Research Designs and Statistics for Educational Contexts

One Advanced Quantitative Research Methods Course, Examples:

EDF 9080 Advanced Educational Tests and Measurement
EDF 9780 Multivariate Educational Research
EDF 9810 Design-Based Research Methods

TUESDAY

EDF 9790 Qualitative Research in Education

One Advanced Qualitative Research Methods Course, Examples:

EDF 9710 Case Study and Ethnographic Research Methods and Design
EDF 9720 Phenomenology and Grounded Theory Research Methods and Design
EDF 9730 Narrative and Historical Research Methods and Design
EDF 9740 Emerging Qualitative Research Methods and Design

WEDNESDAY

EDF 9270 Quantitative Research Designs and Statistics for Educational Contexts
(Additional section only if needed; may be M/W daytime)

Program specific courses

EDF 9020 Seminar in the Learning Sciences I
ED 9030 Introductory Doctoral Seminar I (T&L)

THURSDAY

Program specific courses

SPRING OF ODD YEARS

MONDAY

EDF 9750 Mixed Methods Research
EDF 9770 Multiple Regression/General Linear Model In Educational Research

Program specific courses

ED 9040 Introductory Doctoral Seminar II (T&L)

TUESDAY

EDF 9200 Philosophy of Educational Research
EDF 9770 Multiple Regression/General Linear Model In Educational Research
(Additional section only if needed; may be T/R daytime)
EDF 9790 Qualitative Research in Education

One Learning Theory Course, Examples:

EDF 9300 Bioecological Perspectives on Development and Learning
EDF 9550 Theoretical Bases of Instruction
EDLT 9000 Sociocultural Theories of Learning

WEDNESDAY

Program specific courses

THURSDAY

EDF 9770 Multiple Regression/General Linear Model In Educational Research
(Additional section only if needed; may be T/R daytime)
