

# It's About Excellence:

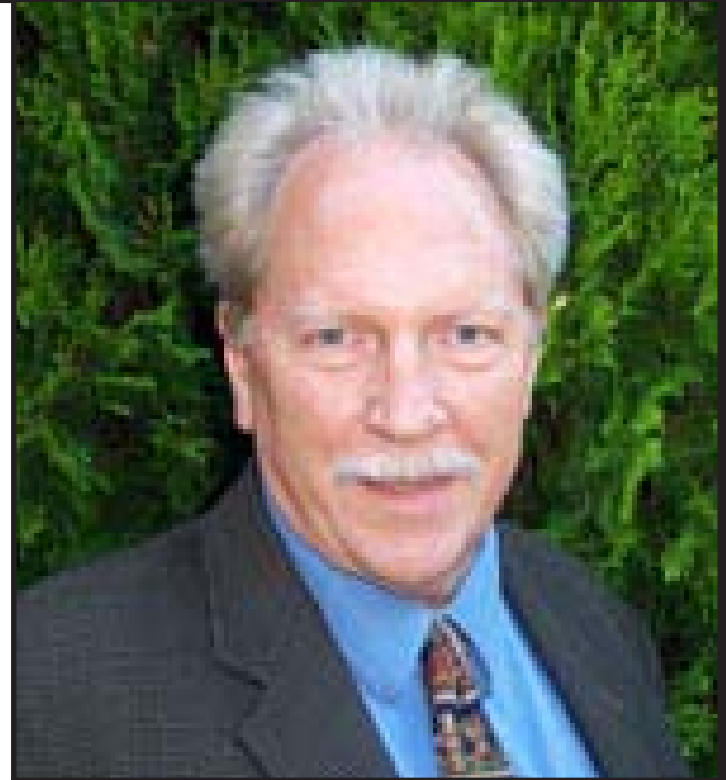

## Building Ethically Healthy Student Organizations

ROBERT J. RUTLAND  
INSTITUTE FOR ETHICS  
CLEMSON  
UNIVERSITY

**David W. Gill** is an ethics educator, writer, and speaker based in the San Francisco Bay Area.

This is an opportunity to meet David as he shares the message of excellence and ethically healthy organizations that he has written about in his most recent book, as well as engage in conversation about how it applies as much to student organizations as it does to any business.

He will also weave the Clemson Core Values: Integrity, Honesty, Respect into an interactive discussion of how student leaders have worked to (or should work to) embed them in the culture and operationalize them.
