This individual will still be eligible for individual prizes. Teams consisting of three members will have no score dropped and all members’ scores will count for individual and team awards. If a county does not have enough participants to make a full team, individuals are welcome to compete.
2. Teams may be selected by any means appropriate to the county they represent and must be certified as a bona fide 4-H member by the County Extension Agent. Youth that are registered members of a club may compete on another club’s/county’s team only if there are insufficient numbers of youth to make a team within their own club. Please list all counties that make up the team on these mixed club teams.
