

**4-H Horse Bowl and Hippology
Info/Fun Event**
Sat., Nov. 14, 2009
Chester Extension Office
9 am to 12 noon

Hi Everyone!

The new 4-H year has officially begun and the Midlands Region is hosting a Regional Horse Bowl and Hippology Information Event at the Chester County Extension office on NOVEMBER 14th, 2009 from 9am-12noon.

4-H'ers and volunteers will have a chance to learn more about these horse knowledge events through demonstration, discussion and hands on practice. This is a great opportunity to learn about these 4-H Horse events prior to the State Competition in February.

Please respond to Ashley Hinson at ahinson@clemson.edu or call at 803-283-3302 x-111 to register your group to attend.

We need to know:

- the names of the youth and adults planning to attend
- the name and contact number of your club advisor
- the name of your club
- the county

If any of you have participated in Horse Bowl or Hippology before and would like to help with this event, please let Ashley know as well. Please forward this onto your local 4-H clubs!

Thank you.
