

CLEMSON
UNIVERSITY

YORK COUNTY

October 16, 2009

Dear Horticulture Professionals,

Clemson Extension Service is pleased to announce an upcoming training opportunity to prepare you and/or your employees for the South Carolina pesticide license exams. As you may be aware the South Carolina legislators passed into law that all businesses applying pesticides on other people's property, and government employees applying pesticides to public property must have a licensed individual to oversee the application of these pesticides. This includes all herbicides, insecticides, and fungicides applied to maintain pest problems in the landscape. The law went into effect on January 1, 2006.

The training will be held from 6:30 to 9:00 PM on Mondays and Wednesdays, November 9, 11, 16, and 18, at the Clemson Extension Office , 120 N. Congress St. in York. During this training **we will cover the materials for the Core and the Category 3 (Turf and Ornamentals) exams only**. The cost of the training will be \$75.00 and we will provide you with the Core and Category 3 study manuals. If you already have the manuals, the cost is \$35.00. The exam will be offered in January 2010. The fee for the exams is \$100.00 for the Core, and Category 3 which will be paid when you register for the exam. We will provide you the registration information for the exam.

Please fill out and return the registration with payment no later than November 2, 2009. The training will be limited to the first 25 applicants, so do not delay. If you have any questions, contact Paul Thompson at 684-9919 ext. 112 or by email at pthmpsn@clemson.edu.

Sincerely,

Paul Thompson
County Extension Agent

120 N. CONGRESS STREET YORK, SOUTH CAROLINA 29745. (803) 684-9919
