- b. Do not comply with PMO³ See "Other Businesses " (pg. 2)

Question 5

- a. Total annual monetary value ² is less than See "Qualified Facility" (pg. 2)
\$1 million
- b. Total annual monetary value ² is more than Go to Question 4
\$1 million

¹ Definition- **Qualified End User:** the consumer of the food (where the term consumer does not include a business); or a restaurant or retail food establishment that is located in the same state or the same Indian reservation as the qualified facility that sold the food or not more than 275 miles from such facility and is purchasing the food for sale directly to consumers at such restaurant or retail food establishment.

² If you are having a hard time determining your **annual monetary value** of food, see attached link. It better explains the definition of a qualified facility.
