Are you interested in learning the basics of how to have a small farm in your own back yard? If so, come join us for a 6-week course to learn the basics on how to care for Livestock, Honey bees and growing your own fruits and vegetables. We will even tell you how to market the excess crops you produce!

_The Clemson University Cooperative Extension Service offers its programs to people of all ages, regardless of race, color, gender, religion, national origin, disability, political beliefs, sexual orientation, marital or family status and is an equal opportunity employer._
