Farm Bill Update

Farm Bill Update for Foresters

Presented by:

Mr. Bethel DuRant, NRCS

November 19, 2009

8:30AM – 9:30AM ET

**Webcast – Originating from Clemson University
Clemson, SC**

This webcast will provide foresters an update on the Farm Bill programs available to landowners. Mr. Bethel DuRant, Program Specialist - NRCS, will provide detailed information on specific land qualifications, income qualifications, application procedures and deadlines, required documentation (i.e. forest management plan) and other relevant information on the most popular programs for forest landowners. He will also differentiate between writing management plans as a registered foresters and qualifying as a NRCS Technical Service Provider (TSP).

This program will be offered free of charge, however, you must register at www.clemson.edu/fnrce
