Administrative Update

Deon Legette

- As newly appointed Extension Administrative Liaison, Deon will meet with us at each Senate meeting briefly to give updates, hear ideas and take them back to the Administration team.
 - The admin team's biggest goal is to make sure they provide a resolution to senate concerns and ideas
- Deon stated that Dr. Dobbins will continue his monthly newsletter.
- Deon encouraged following the procedure that senate President will share to ensure information shared at the county level can filter through the proper channels.
- Dobbins and team are working on revising the Associates and Specialists' promotion process
 - It is in its final state
- Budget
 - Looks favorable
 - Passed by House yesterday, budget now moves to Senate
 - Updates will come through emails from the Governmental Affairs Office
- COVID-19
 - We are still following University guidelines and testing every 14 days and uploading to Clemson's Covid site.
 - Activities with less than 250 participants to do not have to get approved from Provost office.
- Extension Innovation Awards
 - Over 25 applications turned in
- Deon held meeting with University President & Mr. Allen
 - Deon shared senate ideas and recommendations. They were received favorably.
- Question by Senate member- Will you be updating us on issues that were discussed at the meeting held with the University President? ANSWER: Yes, Deon will share information with the former and current Senate president in an upcoming advisement meeting.
