**Explanation of Fees**

**Matriculation Fee:** Charged per semester, the matriculation fee is a non-refundable enrollment fee.

**Software License Fee:** Charged per semester, the software license fee is allocated toward providing students with Microsoft office and any additional updates.

**Health Fee:** Charged per semester, the health fee provides students with a staff of doctors and nurses with no charge per office visit at Redfern Medical Center. The health fee is not insurance. Please contact Redfern with questions: 864-656-2315.

**Activity Fee:** Charged per semester, the activity fee, voted on by students, funds more than 300 student organizations and campus activities.

**Campus Recreation Fee:** Charged per semester, the recreation fee helps fund the FIKE Recreation Center and allows students to take fitness classes and participate in intramurals. Please contact FIKE at 864-656-2315 with any additional questions.

**Technology Fee:** Charged per semester to all students, this fee is used to maintain current information systems such as blackboard, ePortfolio, personal computer repair and help desk, data storage, and internet connectivity.

**Library Fee:** Charged per semester to students with 30 or more cumulative credit hours. This fee is used to maintain power and network capabilities for Cooper Library and provides more research databases and smart classrooms. Please contact the Library with questions: 864-656-2195.

**Lab Fee:** Charged per semester, according to the number of lab courses for which the student has registered. Lab fees fund individual lab courses as well as maintain and improve the overall lab infrastructure.

**Transit Fee:** Charged per semester, the fee helps fund the 24 hour CAT bus system. Please contact the CAT Bus system with questions: 864-654-2287.

**College of Business Course Fee:** Charged per semester to students taking a 300 or 400 level class within the College of Business.
College of Business Major Fee: Charged per semester to juniors and seniors majoring in the College of Business. It is used for professional development opportunities, department projects and additional hires. Please visit: https://www.clemson.edu/business/current-students/fees.html or contact Dr. Raju Balakrishnan at nbalak@clemson.edu with additional questions.

College of Behavioral, Social and Health Sciences Living-Learning Fee: Charged per semester, this fee will be required of freshman enrolling in nursing, health science and PRMT majors. The fee will provide funding for peer advisors, student governing board, and operating expenses. Please contact Kristin Goodenow at kristig@clemson.edu with any additional questions.

Honors College Fee: Charged per semester, this fee is used to improve all aspects of the honors experience, including enhancements to the honors college curriculum and a range of otherwise unavailable educational enrichment opportunities. Please contact the Honors College at Cuhonors-l@clemson.edu or call 864-656-4762 with any additional questions.

Career Services Fee: Charged per semester, this fee supports career programs and services such as: career testing, career counseling, internship, full-time and part time jobs (on and off campus), career and job search workshops, career fairs and career web based resources and technology. Please contact Neil Burton at boneil@clemson.edu with any additional questions.

RISE Fee: To promote learning and personal growth of first year engineering and science students through the creation of a supportive, collaborative, and healthy living learning community environment. The required program fee is used to support Peer Advisors and Resident Hall Tutors. Please contact Michelle Peer at 864-656-2541 with any additional questions.

Academic Recovery Program Fee: Charged per semester, this fee is assessed to students on academic probation. The fee covers the costs of additional personnel and services provided to assist students in improving their academic standing. Please contact the Academic Success Center at 864-656-6452 with any additional questions.

Student Sustainability Initiative Fee (“Green Fee”): A student proposed fee to stimulate sustainability projects at Clemson. Through implemented projects, the Student Sustainability Initiative will build awareness on campus and inspire students to be at the forefront of reaching the sustainability goals established in Clemson's 2030 net-neural plan. Want to see example projects or download an application? Join us in our vision for a sustainable Clemson and visit us at: www.clemsonsea.org/ssi.
