BENEFACTORS OF 1889
LIFETIME CUMULATIVE CASH CONTRIBUTIONS OF
$50,000 OR MORE

Established as part of the University’s Centennial Celebration, this society was active from 1989 to 2006. During that period, donors who reached $50,000 in cash contributions — a level symbolic of Mr. Clemson’s own cash gift for the establishment of Clemson College — were inducted into the society. Upon the bicentennial of Mr. Clemson’s birth, the Benefactors distinction was reserved for existing members.
No further inductions will occur for this group.
