CU 101 (or Elective) (2 hrs)			
NURS 333 (3 cr.) see notes below			
NUTR 205 (3 cr.) see notes below			
NURS 320 (2) see note below			
NURS 140 (3) see note below			
ENGL 314/304 (3) see note below			

*See General Education Requirements in 2009-2010 catalog (Undergraduate Announcements, pg. 34)

<http://www.registrar.clemson.edu/publicat/catalog/2009/currentUndergrad.htm>

*** Elective: If a student completes the both the Humanities non-literature and the Humanities cross cultural with one course (see 2009-2010 Undergraduate Catalog), then student will need to complete another course of their choosing as a 3 credit hour elective.

CH 101 is the required chemistry course. Students may not take CH 105 or CH 106 to satisfy the chemistry requirement.

MTHSC 203 are the required math courses and may not be substituted. Students who have taken EXST 301 or MTHSC 301 prior to enrollment at Clemson may use those courses to satisfy MTHSC 203.

NURS 140, NURS 320, NURS 333 and NUTR 205 are open to Nursing majors only. Courses will be taken in the semester after students have completed application process and have been chosen to change majors to Nursing.

MICRO 205 is only offered in the Fall semester. MICRO 305 may be substituted for MICRO 205.

BIOSC 222 is only offered in the Fall, and BIOSC 223 is only offered in the Spring.

BIOL 110 may substitute for BIOL 103/105. BIOL 104, 121, 122, 123, and 111 are NOT acceptable substitutions. BIOL 103/105 is only offered in the Fall at Clemson.

Nutrition Requirement – NUTR 205 is offered only in the fall semester at Clemson. NUTR 203 may not be used to satisfy any degree requirement for Nursing.

ENGL 314/304 requires 60 credits earned for registration at Clemson University. Students may take it either before clinical or with their first semester clinical course work.

NURS 140 will complete the student's science and technology in society (STS) requirement.
