We would love to work with students in the PRTM program! I have attached a list of the different camps, dates, along with target age groups. Interested students can send a cover letter, resume, and a preference of which 2 consecutive weeks they would like to attend. We will consider interns as well! Anyone who would like to apply or have any questions can email me.

Have a great day!!

Go Tigers!!!

2016 SUMMER BARK CAMPS

**ADVANCED VET CAMP**
**JUNE 6\textsuperscript{th}-9\textsuperscript{th}**
9:00am – 4:00pm
Ages 15-18
This academic camp provides a wonderful introduction to veterinary medicine and is a perfect program for any high school student interested in a career in this field. Classroom time will be balanced with opportunities for observation and involvement at Charleston Animal Society’s medical clinic and hands-on work with our shelter animals. High School students will be doing physical exams on animals, learning how to read X-rays, watching surgeries, observing a crime scene necropsy, managing disease, vaccination injections, and much more!

**BEGINNING VET CAMP**
**June 13\textsuperscript{th}-16\textsuperscript{th}**
9:00am – 4:00pm
Ages 8-11
Does your elementary child want to be a VET? This academic camp provides a wonderful age appropriate introduction to veterinary medicine. Classroom time will be balanced with opportunities for observation and involvement at Charleston Animal Society’s medical clinic and hands-on work with our shelter animals. Elementary School campers will be learning about physical exams, how we draw blood & read X-rays. They will be able to watch spay/neuter surgery and help with the animal’s recovery.

**RAINING CATS AND DOGS**
**JUNE 20\textsuperscript{th}-23\textsuperscript{th}**
9:00am – 4:00pm
Ages 8-11
Are you a dog or cat lover? Then this camp is for you! Each day will feature information, crafts and interactive guest speakers about dogs and cats. Animal interaction with Charleston Animal Society dogs and cats galore! What more could you want to have all these fluffy, 4 legged friends to hang out with all week? Learn about cat & dog body language, create enrichment items for the animals, play games and meet new friends.

**MIDDLE SCHOOL VET CAMP**
**June 27\textsuperscript{th}-30\textsuperscript{th}**
9:00 am – 4:00pm
Ages 12-14
*If your child has registered for this camp in the past please call De at 843-329-1548 to be put on waiting list- we are allowing NEW campers to register FIRST.*
This academic camp provides a wonderful introduction to veterinary medicine and is a perfect step for any middle school student interested in a career in this field. Classroom time will be balanced with opportunities for observation and involvement at Charleston Animal Society’s medical clinic and hands-on work with our shelter animals. Campers will be doing physical exams on animals, learning how to read X-rays, watching surgeries, observing a crime scene necropsy, managing disease, vaccination injections and much more!
ANIMAL CARE CAMP
July 5th-7th
9:00 am – 1:00 pm
Ages 5-7
Sometimes younger children forget how to care for and handle their pets. Animal Care Camp builds self-esteem and nurtures compassion by developing an understanding of the shelter environment and a respect for all animals. Program activities include lessons in animal safety and handling. Songs and movement as well as arts and crafts will help teach lessons in caring. Guest speakers will hold the young child’s attention while teaching them all about animals.

ART & ANIMALS CAMP
July 11th-14th
9:00 am – 4:00 pm
Ages 10-13
Does your child love art AND animals? What a perfect pair. Register your 10-13yr old for this camp to explore the wonderful way to mix the two. Campers will experiment with many different animals and art mediums during this creative camp. Don’t worry we will have plenty of animal interaction time as well as paint, photography, collage, clay, skits, video, etc. Digital cameras are encouraged (even iphones, ipads/ipods, etc) but not necessary. We won’t hold back on the creative side especially if it helps the animals in the shelter. Campers will come home with lots of creative animal art & all materials are included.

Level II
July 18th-21st
9:00 am – 4:00 pm
Ages 9-11
Has your 9-11yr old been to BARK camp before and want to expand upon their knowledge of animals? This camp is for BARK camp alumni who have been to one or more camps in the past and will dive deeper in learning about body language, canine training, and how to be a voice for the animals. Lessons and activities will be centered around shelter dogs and cats & how to help them through training, enrichment, fostering, and getting them adopted. Animal interactions are increased due to the experience of the campers.

PET PARTNERS AT WORK
JULY 25th-28th
9:00 am – 4:00 pm
Ages 12-15
Campers will focus on helping the CAS adoption center animals by choosing a cat or dog to work with all week and then helping that pet get adopted. Campers will learn practical training techniques to help the dogs they picked be highly adoptable. Projects will focus on service, and guest speakers will explore service animals, animal control and safety. Campers will learn about pet issues, use their communication skills to advertise their animal to be adopted and have fun making new friends!

BEGINNING VET CAMP
August 1st-4th
9:00 am – 4:00 pm
Ages 8-11 (This is for any children who missed the first Beginning vet camp)
Does your elementary child want to be a VET? This academic camp provides a wonderful age appropriate introduction to veterinary medicine. Classroom time will be balanced with opportunities for observation and involvement at Charleston Animal Society’s medical clinic and hands-on work with our shelter animals. Elementary School campers will be learning about physical exams, how we draw blood & read X-rays. They will be able to watch spay/neuter surgery and help with the animal’s recovery.

ABC’S OF CAS
August 8th-11th
9:00 am – 4:00 pm
Ages 8-11
What does the Charleston Animal Society do? Do we have only dogs and cats? What help do we give an animal when it comes into the shelter? Campers will learn the answers to these questions and many, many more! Campers will learn what makes CAS “tick” and get to know the adorable animals. Get a behind the scene look at our shelter. Help us get our animals adopted and learn about animal control, meet some adorable foster animals, create some fun enrichment items for the animals, play games, and meet new friends!
