General Policies and Procedures for All Property Guests:

Car parking provided by Campus Recreation must be purchased via debit or credit using the online Marketplace store.

Pre-sale via Marketplace guarantees your space. After payment, your receipt must be printed off and brought to the property and kept in the window of your vehicle(s). Failure to produce a receipt may result in repayment.

All cars will be charged $50. No refunds.

Vehicles holding 12 or more passengers, or with a tow-behind trailer will be charged for two (2) car spaces.

Reservations are for 10:00 a.m. through 6:00 p.m. on Monday. All cars must be removed by 6:00 p.m. on Monday.

Follow the instruction of all parking attendants. Park as directed to ensure that all space is used efficiently. Do not move from your designated space without staff approval.

Saving parking spaces for others is not permitted.

Pets are welcome, provided they have ID tags stating current vaccinations and are kept on a leash. Pet owners are required to clean up after their pets.

Please bag all of your trash and place it in a dumpster on-site.

Groups are permitted to grill, but all charcoal must be removed prior to the departure of the premises. No uncontained fires are permitted.

Tailgating is allowed in the provided space purchased. Additional space for tailgating is not permitted. Any tailgating activity that limits the ability of the parking attendant to efficiently park all cars will be asked to move. Failure to comply may result in your removal, including, but not limited to your vehicle being towed at the owner's expense.

Bathrooms onsite are via porta-potty.

Inappropriate behavior, vandalism or misuse of property will not be tolerated and may result in immediate expulsion from the area. No obscene language, loud music, or profanity will be tolerated. Noise/music must be kept at acceptable levels.

Clemson University assumes no responsibility or liability for lost or stolen items or damage to your vehicle during your stay with us. Owners assume full responsibility for their property.

Resale for an increased price or attempted reproduction of any passes will result in your pass being revoked and potential criminal charges. If you give away or trade your pass with someone, please inform our staff before noon on Sunday for access and security reasons.

This event does not have specific handicapped parking.
