Creating a Flipgrid Account

Getting Started

You will need to create a Flipgrid account before creating Flipgrid assignments in Canvas. This tutorial will provide step-by-step instructions for creating your Flipgrid account.

1. The first step in creating your Flipgrid account is to go to the Flipgrid website in your browser (https://flipgrid.com/).
2. Click on Educator Login at the top of the screen.
3. If you will be using Gmail address to create your Flipgrid account, proceed to Creating an account with Google. If creating your account with a Microsoft address, proceed to Creating an account with Microsoft.

Creating a Flipgrid account with Google

1. On the Educator Login page, click the Login with Google button.
2. On the Google sign-in screen, enter your Gmail address and click Next.

3. Then enter your Google password.

4. Once you have logged-in through Google, your account is created in Flipgrid.
1. On the Educator Login page, click the Login with Microsoft button.
2. On the Microsoft sign-in screen, enter your Clemson email address and click Next.

3. When you are redirected to the Clemson login screen, enter your Clemson email address and password, then click Sign In.

4. Once you have authenticated through the Duo login screen, your account is created in Flipgrid.
