

## Amazon Business | User FAQ

### [Getting Started \(Amazon Direct\)](#)

#### **How do I create my Amazon Business account?**

Access Amazon Business by clicking the link directly from the registration email you received. The first time you access Amazon Business you will be prompted to set up your account.

Use your [@clemsun.edu](#) email address and create a password.

#### **What if I haven't received an invitation?**

Be sure to check your spam or deleted email folders. The registration email is sent directly from Amazon.com ([no-reply@amazon.com](mailto:no-reply@amazon.com)). If you still cannot locate the email, contact Lynn Crawford ([crawfo5@clemsun.edu](mailto:crawfo5@clemsun.edu)) to have it resent.

#### **How do I register as part of the Clemson University Amazon Business account?**

Please read the following instructions prior to accessing Amazon Business. This will ensure your account is set up before making purchases.

##### Scenario 1

#### **I have never used my @clemsun.edu email address on Amazon.com**

The first time you access Amazon Business, you will be prompted to set up an Amazon Business account. Use your [@clemsun.edu](#) email address and enter a password. (Please note: your password does not need to be the same as other internal systems).

##### Scenario 2

#### **I already use my @clemsun.edu email address to make PERSONAL purchases on Amazon.com**

If your [@clemsun.edu](#) email address is already associated with an Amazon.com account, you will have the option to split off and transfer any purchase history to a separate account. You will be prompted to enter a new, personal, email address (e.g. gmail.com or hotmail.com) that is NOT tied to another Amazon account.

### Scenario 3

#### **I already use my [@clemson.edu](mailto:@clemson.edu) email address to make BUSINESS purchases on Amazon.com**

If your [@clemson.edu](mailto:@clemson.edu) email address is already associated with an Amazon.com account, you will have the option to merge your existing account and transfer any purchase history and pending orders to the central business account. You will be prompted to enter in your same password, and in small blue writing please click “I want to convert my existing account and transfer my order history and info to my business account” when prompted to merge your account.

#### **What if I previously used my [@clemson.edu](mailto:@clemson.edu) email address to register for a verified Amazon Business account?**

If you previously used your [@clemson.edu](mailto:@clemson.edu) email address to register for an Amazon Business account, you will need to de-register that account. Your information and order history will still exist and will follow the user to the next Amazon Business account if you choose to convert your existing account when accepting the invitation. All previous, stand-alone, Amazon Business accounts will be consolidated under the new, centralized account.

##### **How do I deregister my account?**

1. Log into your Business Account
2. Download an order history report for the past 6-12 months
3. Click the following link to deregister your existing account:  
<https://amazon.com/gp/b2b/manage/deregister>

*NOTE: The terminology on this screen can be confusing. Rest assured your order history will not be lost, your account will be converted back to an Amazon consumer, allowing you to join the central Amazon Business account.*

Once you are done, please email your account admin at [crawfo5@clemson.edu](mailto:crawfo5@clemson.edu) to request an invitation to the central business account.

#### **I tried to deregister my account, but it says, “I don’t have permissions to close this account.” How should I proceed?**

The reason you do not have permissions to close your account is because you are not the administrator of the account you are tied to. Please reach out to the administrator on the existing account and have them remove you. If you are unsure of who your account administrator is, please contact Customer Service at 888-281-3847.

#### **When I access Amazon Business for the first time, I am prompted to log in with a password. I do not know my login information.**

You are asked to enter a password because you have an existing account with Amazon with your [@clemson.edu](mailto:@clemson.edu) email address. If you cannot remember the password, please select the “forgot password” button to reset. If you are still having trouble resetting the password, please call Amazon Business Customer Service at 888-281-3847 and ask them to reset it for you.

#### **Can I use the new Amazon Business account for PERSONAL use?**
