- Exams begin at 9:30 a.m.
- Exam sessions last three hours.

Current applicators may test in additional categories provided they have PREPAID AND PRE-REGISTERED FOR THEM.

Training material is available through the Bulletin Room for a fee. You can order from our website, through your county extension office or call (864.656.3261) or (1.888.772.2665). Materials should be ordered well in advance. No training is provided at the exam session.

Certified Commercial Applicators who sell restricted use pesticides must also be licensed as pesticide dealers. Applicators requiring a dealer's license should contact the Dept. of Pesticide Regulation for an application.

Exams for Commercial Pesticide Applicators & dealers consist of two parts: a general knowledge "Core" exam covering pesticide labels, environmental factors, knowledge of pesticides and pests, pesticide laws, pesticide equipment and pesticide application techniques, and safe pesticide use; and a "category" or "dealer" exam covering specific areas of pesticide expertise.

Test questions for exams are derived from category training material and professional experience.
