

SC Verifiable Training Order Form

The South Carolina Pest Control Association is pleased to offer all the needed materials to comply with the SC Verifiable Training and Registration requirements. The intent of the program is to establish a uniform base level of training for safe pesticide application among all commercial pest control personnel. Both the Core Manual, *Applying Pesticides Safely...* and the accompanying SC Verifiable Training Workbook are the basis for beginning your career in pest control in this state. The forward and program guidelines in the workbook clearly explain the program, and the officers or general members of the SCPCA are available by phone to answer any questions.

There is an advantage to being a member of the South Carolina Pest Control Association reflected in the pricing structure. A two-level pricing structure is provided below for the purchase of the needed test. Our individual text price is very competitive if not less expensive than the cost of photocopying; however, neither publication is copyrighted, so you may photocopy from them if you desire. Besides providing training materials, the SCPCA labors hard for our industry and is worthy of your affiliation. You are strongly encouraged to become a member of the only statewide organization that knows and works hard for your rights. The South Carolina Pest Control Association works hard to ensure that our industry continues to grow and prosper.

PRICING STRUCTURE

SCPCA Members	Core Manuals \$15.00	Workbooks \$5.00
Non-Members	Core Manuals \$20.00	Workbooks \$7.50

Determine the number of manuals and accompanying workbooks you need and indicate below. Enclose your check or money order payable to SCPCA (no cash please) along with your correct UPS shipping/street address. Print clearly on the return shipping form provided below.

Allow up to two weeks for delivery, please.

Core Manual(s) Ordered _____ X (your cost) = _____

Workbook(s) Ordered _____ X (your cost) = _____
