**Cost** – Camp tuition is $650. Camp fees include all meals (from dinner on Monday through lunch on Friday), lodging, insurance, a variety of horses/ponies to ride, the use of all tack/equipment, recreation, riding and classroom instruction, and college life and admissions discussions and Q/A. A $350 deposit is due with application no later than June 1, 2016. Make checks payable to Clemson University. The balance of $300 is due (in cash) upon arrival at camp on July 11, 2016. The deposit fee is non-refundable. Interested riders are encouraged to apply earlier as the camp is limited in riding slots.

**Camper Eligibility** – Open to riders between the ages of 14 and 18 - rising 9th graders through recently graduated 12th graders. Camp is limited to 20 participants among all IHSA riding levels including both western and hunter riders. Participants DO NOT need to bring their own horse or tack to camp.

**Registration** – Campers must submit completed application and $350 deposit to Kristine Vernon, Camp Director, 135 Poole Agricultural Building, Clemson, SC 29634-0311 no later than June 1, 2016. Camper’s Agreement Form, Parent’s Agreement and Consent Form, Camper’s Health Form, and final payment of $300 must be presented upon arrival at the camp on July 11, 2016. Campers will be notified of their acceptance via email.

**Health Requirement** – A Participant Health Form is included in the camp information packet. It is very important for youth and parents to alert the camp staff in regard to any physical limitations or allergic reactions a youth may have to specific medicine(s), insect stings, food, diabetes, etc. Any special conditions/limitations should be given in writing to the camp director. Your cooperation in this matter is appreciated and is designed to keep your youth safe. Each participant must present documentation of a physical exam performed by a licensed medical provider indicating that the youth is physically fit enough for participation in a horseback riding camp.

**Horses** – Youth will ride the Clemson University Equestrian Team’s horses. Horses are allocated for specific IHSA levels and disciplines. Riders will complete a “draw” in IHSA format for their assigned mount prior to each riding session. This will simulate true IHSA competition and increase the chances that youth will ride different types of horses throughout the week’s riding instruction sessions. This will more fully prepare youth for participation in a collegiate riding program or team.

**Equipment** – Campers will review tack requirements and use the tack/equipment assigned to each horse. Questions regarding saddle/rider fit shall be directed to CUET coaches and camp instructors. Equipment is to be cleaned at the end of each day and stored appropriately as directed.

**Insurance** – Campers are not provided medical insurance during their participation period. Any injury to rider is at the participant’s risk and expense. All campers must have primary insurance for illness and accidents.

**Arrival Procedures** – Campers will be accepted at camp between 4:00 and 5:00 pm on Monday, July 11, 2016. It will not be possible for the staff to check campers in before 4:00 pm. Upon arrival, campers should proceed to the check in table outside of the designated residence hall on Clemson University’s main campus. During check in, remaining camp
paperwork and fees will be remitted. Following check in – at 5:00 pm – parents and campers will receive orientation and review camp policies with the camp director and staff. Parents must be present for this meeting, and are excused following the orientation meeting. Campers will then proceed to dinner at the dining hall and will have an evening session on Monday night.  All medical forms must be on file with camp staff prior to parent/guardian departure.  There will be no exceptions made for not having all the proper paperwork filed. Any camper that doesn’t have all of the proper paperwork will be sent home with no refund. It is requested that all unloading be done as efficiently as possible to help relieve congestion.

**Overnight Housing and Transportation** – Campers will be transported using Clemson Area Transit system buses or 12-passenger vans when shuttling between the Dining Hall/Dorms and Clemson University Equine Center. No camper will be transported in private vehicles unless required to visit Redfern Health Center for minor medical treatment. Overnight accommodations will be at the dormitories on main campus. Campers will be assigned a roommate based on age appropriateness and availability. Special roommate requests will be accommodated only if the Camp Director has been notified of requests by 6/1/16.

**Departure Procedures** – Parents are requested to arrive for pick-up of youth on Friday, July 15, 2016 at 1:00 pm to watch the final riding session. Packing of luggage may begin after the final riding session. A special recognition, camp awards ceremony will be provided at 3:30pm.  **No youth will be allowed to leave until they are officially signed out with the Camp Director.**  Luggage will be transported from the dormitories to the Equine Center by campers and camp staff prior to departure from the dorms.

Each camper must keep themselves, their dorm room and common areas, and stable areas clean at all times. Campers are expected to assist in stable management and horse care and will be supervised in these activities by camp staff. **Family/Guest Visitation** - No parent, guardian, family member or guest should visit the campers during camp unless pre-approved by the camp director. We understand that this may be difficult, but for the camper to truly get the camp experience parents and/or family members cannot be allowed to visit during camp. Please be sure all the supplies that the camper needs during camp are delivered and stored before you leave on July 11, 2016. We ask that you do not bring supplies during the week. If you are concerned about your child or just want to check in with camp staff, please feel free to call Kristine Vernon at 864-934-8438 at any time. If you camper is claiming they are having difficulty with any portion of the camp (social interactions, home sickness, riding sessions, etc.), please consult the camp staff prior to entertaining solutions with your camper. Many times these problems can be addressed quickly and with less dramatic outcomes when campers are forced to step back and work through the situation independently of their parents/guardian. We strongly ask that family members allow camp staff to work with the camper to grow through these experiences.

**Clemson University Policy on Headgear Safety Equipment** - The Clemson University Equine Center and CU Equestrian Team policy requires that all riders wear protective headgear that meets or surpasses current applicable ASTM (American Society for Testing and Materials/SEI (Safety Equipment Institute) standards while riding. The headgear must be properly fitted, properly worn on the top of the head, and worn with the strap or harness securely fastened. The term “riding” as used in this policy refers to the mounting, riding or driving of a horse or pony while participating in this camp activity. The term “rider” refers to a person engaged in riding.

It is the responsibility of the rider, and the parent or guardian of the rider, to confirm that the headgear worn by the rider complies with the safety standards set forth above; is properly fitted, fastened and work; and is in sufficiently good condition that it would protect the rider in the event of an accident. The CU Equine Center, Equestrian Team, Clemson University and the camp personnel and volunteers associated with the camp program are not responsible for providing headgear and are not responsible for checking headgear worn by riders in order to comply with this rule.

**Any rider found to be riding in violation of this policy by camp staff or volunteers will be immediately prohibited from further riding, and shall be barred or disqualified from the event or activity in which the rider is engaged at the time of the violation.**

The Clemson University Equine Center and Equestrian Team make no representation or warranty, expressed or implied, concerning the headgear worn by any rider during a sponsored event or activity. In particular, the Clemson University Equine Center and Equestrian Team make no representation or warranty concerning the safety performance of any headgear worn by any rider. The CU Equine Center and Equestrian Team cautions riders and their parents and legal guardians that death or serious injury may occur despite wearing safety headgear as all equestrian sports involve inherent dangerous risk. No headgear can protect against all possible injuries.

All campers are required to wear a helmet as described above regardless of riding level or discipline.

Please refer to the IHSA Rule Book for full descriptions of class requirements. This form indicates suggested placement, but the IHSA Rules always takes precedence in matters of placement.

NOTE: Because of the YES/NO format of this form, the questions in each section are NOT INTENDED to always match the class description of that same section. Rather, a “YES” answer in a section in many cases is affirmation of your being OVER-qualified for the class description of the next lower class.

The FIRST division in which you answer “yes” will indicate initial rider placement.
ALL OF THE FOLLOWING QUESTIONS MUST BE ANSWERED FOR BOTH HUNTER SEAT AND WESTERN DIVISIONS, EVEN IF YOU ARE ONLY COMPETING IN ONE DIVISION. Please refer to Rule VIII, 8100-8202 and Rule IX 9100-9202 of IHSA Rules for exact class qualifications. Note that there is no crossover rule – flat, fences, western are placed by this form independently of each other based on the rulebook. Novice fences riders must be originally placed at least in novice flat level.

Notes: (from IHSA Rule Book Rule 8101)
